

Always Remember Us This Way - Lady Gaga (♩ = 130)

That Arizona sky burning in your eyes
You look at me and, babe, I wanna catch on fire
It's buried in my soul like California gold
You found the light in me that I couldn't find

So when I'm all choked up and I can't find the words
Every time we say goodbye baby, it hurts
When the sun goes down - And the band won't play
I'll always remember us this way

Lovers in the night poets trying to write
We don't know how to rhyme but damn we try
But all I really know you're where I wanna go
The part of me that's you will never die

So when I'm all choked up and I can't find the words
Every time we say goodbye baby, it hurts
When the sun goes down - And the band won't play
I'll always remember us this way - Oh yeah
