

## Brazen - Skunk Anansie (♩ = 127)

**C**  
I called you brazen  
Called you whore right to your face  
And watched you silently  
And publicly disgraced

I didn't notice  
When you strenghted like a vice  
That you were tremblin'

**C** **Hm H**  
And burned beneath the ice, ooh, ooh

**Em D**  
Why don't you weep when I hurt you?

**Em D**  
Why don't you weep when I cut you?

**C G**  
You don't bleed And the anger

**Am**  
Builds up inside

**EmD C (2. H7)**  
Na na na na na (2. oooh)

You said a prayer  
And I betrayed you with a kiss  
You never realized  
That all had come to this

So keep your dignity  
Don't throw it all to waste  
Stronger feelings  
And you've ever learned to face, ooh, ooh
