

# Break down the wall - Anouk (♩ = 134, Kapo I)

**A2** **G**  
Baby why you're so sad What's the thing you're running from

**D<sup>2</sup>** **A2**  
Caught in the red lights As if money is the cure

Is this your only way to survive Are you trying to get even with the past  
What happened to the dreams you had I think it's time for you to

Show them you are able To leave without saying one word  
I know it won't be easy, baby But I will run with you

**F** (♩♩)<sup>3</sup>♩ **G** ♩ 7♩♩  
'Cause every night has a day Every wish a prayer

**A2** (♩♩)<sup>3</sup>♩ ♩ **F**  
Don't lose your faith And I'll be holding your hand

**G** **H** ♩♩ ♩♩ ♩♩ ♩  
'Cause it's never too late There's someone who needs you

**Em** **D**

**C** **D**

**Em** **D**

You walk on straight Yeah tell the motherfuckers they were wrong  
Isn't this your sweetest revenge Feels good, hey I told you so
