

# Dancing in the dark - Bruce Springsteen (♯ = 148)

**H**  
I get up in the evening and I ain't got nothing to say

**G♯m**  
I come home in the morning I go to bed feeling the same way

**E C♯m E C♯m H**  
I ain't nothing but tired, man I'm just tired and bored with myself

**H F♯**  
Hey there baby I could use just a little help

**F♯ E**  
You can't start a fire, you can't start a fire without a spark

**C♯m E C♯m H (or G♯m H)**  
This gun's for hire even if we're just dancing in the dark

**H**  
Messages keep getting clearer, radio's on and I'm moving round the place

**G♯m E**  
I check my look in the mirror (mirror) I wanna change my clothes, my hair, my face

**C♯m E C♯m H**  
Man I ain't getting nowhere, I'm just living in a dump like this

**H F♯**  
There's something happening somewhere baby I just know there is

**F♯ E**  
You can't start a fire, you can't start a fire without a spark

**C♯m E C♯m H (or G♯m H)**  
This gun's for hire even if we're just dancing in the dark

**G♯m G E F♯ G♯m**  
You sit around getting older, there's a joke here somewhere and it's on me

**H E F♯**  
I'll shake the world off my shoulders, come on baby the laugh's on me

**H**

Stay on the streets of this town and they'll be carving you up all right

**G#m****E**

They say you gotta stay hungry, hey baby I'm just about starving tonight

**C#m E****C#m****H**

I'm dying for some action, I'm sick of sitting 'round here trying to write this book

**H****F#**

I need a love reaction, come on now baby gimme just one look

**F#****E**

You can't start a fire sitting round crying over a broken heart

**C#m E****C#m****F#**

This gun's for hire even if we're just dancing in the dark

**F#****E**

You can't start a fire worrying about your little world falling apart

**C#m E****C#m****F#**

This gun's for hire even if we're just dancing in the dark

**H**

Even if we're just dancing in the dark (x4)

**H**

Hey Baby
