

High Hopes - Pink Floyd (↓ =)

Cm Cm⁷ A^b
Beyond the horizon of the place we lived when we were young
In a world of magnets and miracles
Our thoughts strayed constantly and without boundary
The ringing of the division bell had begun

Cm A^b G^{7sus4} G G⁷ (H)
Along the long road and on down the causeway
Cm (C B^b) A^b G
Do they still meet there by the cut

There was a ragged band who followed in our footsteps
Running before times took our dreams away
Leaving the myriad small creatures trying to tie us to the ground
To a life consumed by slow decay

Cm Gm A^b B^b
The grass was greener
Cm E^b Fm A^b
The light was brighter
Cm Gm A^b B^b
When friends surrounded
Cm E^b Fm G
The nights of wonder

Looking beyond the embers of bridges glowing behind us
To a glimpse of how green it was on the other side
Steps taken forwards but sleepwalking back again
Dragged by the force of some inner tide

At a higher altitude with flag unfurled
We reached the dizzy heights of that dreamed of world

Encumbered forever by desire and ambition
There's a hunger still unsatisfied
Our weary eyes still stray to the horizon
Go down this road I've been so many times

The grass was greener
The light was brighter
The taste was sweeter
The nights of wonder
With friends surrounded
The dawn mist glowing
The water flowing
The endless river
Forever and ever...

[classic solo]
