It was like shooting a sitting duck
A little small talk, a smile and baby I was stuck
I still don't know what you've done with me
A grown-up woman should never fall so easily

I feel a kind of fear When I don't have you near Unsatisfied, I skip my pride I beg you dear

I've had a few little love affairs
They didn't last very long and they've been pretty scarce
I used to think I was sensible
It makes the truth even more incomprehensible

'Cause everything is new And everything is you And all I've learned has o - verturned What can I do
