No Souvenirs - Melissa Etheridge (J =)

G6 Α А Hello hello this is Romeo callin' from a jackpot telephone G6 Shame, shame but I love your name and the way you make the buffalo roam. D(2) A(2)Oh, fly, fly, I guess this is goodbye. Esus Ε Esus Ε Oh, you packed up your heart and you left no souvenirs. A(2) D(2)But if you want me you can call me in the night you know where I'll be A(2)D(2)Broken lover you can touch me in the dark the innocent can't see A(2)D(2) Lock it up now hide the key it would mean surrender to let me see, oh A(2)D(2) brave brave soldier keep it undercover you fell alone like no other lover А D Burn the pictures break the records run far away to a northern town А Sell your fear and leave me standing here Ε with no souvenirs. Once twice I thought it might be nice To come into your kitchen and play Cool cool just a crazy fool I never saw it any other way Oh wait wait I guess it's just too late Oh you made up your mind Love shouldn't be so hard But if you want me you can call me In the night you know where I'll be Broken lover you can touch me In the dark the innocent can't see You lock it uo now hide the key It would mean surrender to let me see Oh brave brave soldier keep it undercover

1

You fell alone like no other lover Burn the pictures break the records ru Run far away to a northern town Sell your fear and leave me standing here With no souvenirs

A G Fmaj7 No shirt no shoes no jacket no blues your car's for sale E A you forward your mail you're growin' your hair G Fmaj7 You don't wanna know where I'm callin' you from E or how come.

But if you want me you can call me In the night you know where I'll be Broken lover you can touch me In the dark the innocent can't see Lock it up now hide the key It would mean surrender to let me see Oh brave brave soldier keep it undercover You fell alone like no other lover Burn the pictures break the records Run far away to a northern town Sell your fear and leave me standing here E with no souvenirs.

A A D D/F# [one bar each, four times] 4th D/F# hel-A G6 F+ lo hello this is Romeo....
