

# Runaway - Bon Jovi (♯ = , Kapo)

**Am** **G**  
On the street where you girls talk about their social lives

**E** **F G** **Am**  
They're made of lipstick, plastic, and paint, a touch of sable in your eyes

**Am** **G**  
All your life all you've ask is when your daddy's gonna talk to you

**E** **F G** **Am**  
You were living in another world trying to get the message through.

**E** **G** **Am**  
No one heard a single word you said

**Dm** **C** **G**  
They should've seen it in your eyes, what was going around her head.

**Am** **G**  
Ooooh she's a little runaway

**C** **Em G** **Am**  
Daddy's girl learned fast all those things he couldn't say

**G E . .** **Am**  
Ooooh she's a little runaway.

A different line every night guaranteed to blow your mind  
See you out in the streets, call me for a wild time  
So you sit home alone cause there's nothing left that you can do  
There's only pictures hung in the shadows there for them to look at you  
You know she likes the lights at night on the neon broadway sign  
She don't really mind, it's only love she hopes to find

Ooooh she's a little runaway ...
