

# Russians - Sting (♩ = 116 , Kapo III)

**Am Am<sub>G</sub> F G**  
In Europe and America

**Dm Em F G**  
there's a growing feeling of hysteria

**Am Am<sub>G</sub> F G**  
Conditioned to respond to all the threats

**E<sub>G#</sub> Am E<sup>sus4</sup> E**  
in the rhetorical speeches of the So-vi-ets

**C C E<sub>G#</sub> E<sub>G#</sub>**  
Mr. Krushchev said we will bury you,

**Am Am E E**  
I don't subscribe to this point of view

**Am Am<sub>G</sub> F G**  
It would be such an ignorant thing to do

**Dm G Am Am**  
if the Russians love their children too

How can I save my little boy  
from Oppenheimer's deadly toy?  
There is no monopoly of common sense  
on either side of the political fence

We share the same biology,  
regardless of ideology.  
Believe me when I say to you,  
**D E F G Am**  
I hope the Russians love their children too.

There is no historical precedent,  
to put the words in the mouth of the president.  
There's no such thing as a winnable war,  
it's a lie we don't believe anymore

Mr. Reagan says we will protect you  
I don't subscribe to this point of view.  
Believe me when I say to you  
I hope the Russians love their children too.
