

Set Fire To The Rain - Adele (♩ = 108, Capo III = orig. - 2)

Am C G Dm
I let it fall, my heart, and as it fell you rose to claim it.
It was dark and I was over, until you kissed my lips and you saved me
My hands they're strong, but my knees were far too weak,
Stand in your arms without fall to your your feet,

F Dm
But there's a side to you that I never knew, I never knew.

Am
All the things you'd say, they where never true, never true,

F G
And the games you'd play, you would always, always win.

Am G
But I set fire to the rain, watch it pour as I touched your face,

Dm Am G
Let it burn while I cry, cause I heard it screaming out your name, your name

Am C G Dm
When I'm with you I could stay there,
Close my eyes, feel you're here forever, You and me together, nothing is better

F Dm
But there's a side to you that I never knew, I never knew.

Am
All the things you'd say, they where never true, never true,

F G
And the games you'd play, you would always, always win.

Am G
But I set fire to the rain, watch it pour as I touched your face,

Dm Am G
Let it burn while I cry, cause I heard it screaming out your name, your name

Am G
I set fire to the rain and I threw us into the flames

Dm F G
Where I felt something die, Cause I knew that that was the last time, the last time

F **C**
Sometimes I wake up by the door,

Em **G**
That heart you caught, must be waiting for you,

F **C**
Even now when we're already over,

Em **F**
I can't help myself from looking for you
