Dm she said i love you boy i love your soul she said i love you baby oh oh oh ohh
A she said i love you more than words can say, she said i love you bayayayayby

Dm so i said, what you sayin girl it cant be right
A How can you be in love with me, we only just met tonight

Dm so she said.. boy i loved you from the start
A when i first heard love goes down, something started burning in my heart

F i said stop this crazy talk
A
F and leave right now and close the door

Dm she said i love you boy i love your soul she said i love you baby oh oh oh ohh
A she said i love you more than words can say, she said i love you bayayayayby

Dm so now I'm up in the courts
pleading my case in a witness box
telling the judge and jury
the same thing that i said to the cops
A
on the day that i got arrested
im innocent I protested
she just feels rejected
had her heart broken by someone she's obsessed with

Am she likes sound on my music
she makes out a fan of my music
thats why love goes downmakes her lose it
cos she cant seperate the man from the music

A and im saying all this from the stand
while my girl cries tears from the galleries
this got bigger than i ever could have planned
like that song by the Zutons "Valerie"

F so the jury dont look like their buying it and shes making me nervous

A arms crossed, screwed faced like im trying it their eyes fixed on me like im murderous

F
they wanna lock me up and throw away the key

A
they wanna send me down even though i told them she..

Dm **A**
