

Something in the way - Nirvana Kapo I

[Intro]

Em C (4x)

[Verse 1]

Em C
Underneath the bridge
Em C
The tarp has sprung a leak
Em C
And the animals I've trapped
Em C
Have all become my pets
Em C
And I'm living off of grass
Em C
And the drippings from the ceiling
Em C
It's okay to eat fish
Em C
'Cause they don't have any feelings

[Chorus]

Em C Em C
Something in the way, mmm
Em C Em C
Something in the way, yeah, mmm
