Is already in my life  
Right in front of me  
Or maybe you're in disguise

**B<sup>b</sup>**  
If there's a soulmate for everyone

2./3. **Dm Gm Dm Gm**  
If there's a soulmate for everyone

Here we are again, circles never end  
How do I find the perfect fit  
There's enough for everyone  
But I'm still waiting in line

**Gsus2 B<sup>b</sup>**  
They're all good but not the permanent one
