

Urgent - Foreigner (Am) (♩ = 115)

Am F Dm Am

Am

You're not shy, you get around

F

You wanna fly, don't want your feet on the ground

Dm

You stay up, you won't come down

Am

You wanna live, you wanna move to the sound

Got fire, in your veins,
burnin' hot, but you don't feel the pain
Your desire, is insane,
you can't stop, until you do it again

You play tricks, on my mind,
you're everywhere, but you're so hard to find,
you're not warm, or sentimental
You're so extreme, you can be so temperamental

But sometimes I wonder as I look in your eyes
That maybe you're thinking of some other guy
But I know, yes I know, how to treat you right
That's why you call me in the middle of the night

But I'm not looking for a love that'll last
I know what I need and I need it fast
Yeah, there's one thing in common that we both share
That's a need for for each other anytime, anywhere
